

"I felt so at ease. I could be completely myself" -Kathy T.

"Amy, Thank you for the wonderful photo shoot today. We all had a great time and are really looking forward to seeing the photos. Everyone commented how professional and relaxed you were, and how much they enjoyed themselves. It meant a lot to us to capture this moment in time." -Rebecca

"We have known Amy for quite a while and seen the photos she has taken of the babies and children of friends so we have looked forward to the time when we could have her take photos of our own family and baby. Even being familiar with her work, we were still amazed by how great the photos turned out. Amy was a joy to work with and we appreciated the care she took with our little guy as she worked the shoot. With patience and care she cajoled him into position for one great shot after another. These are photos we will keep forever and I know Finn will love seeing them when he is older. If anyone is considering Amy for photos of their family or baby I can't recommend her enough." -Timothy & Eryca

"I love love love the photos of Isabela, you have captured her beauty and personality so well."

"Amy. Unbelievable. I am dying over these. I don't know how you did it, but these are gorgeous.... Amazing!!! Thank you, thank you, thank you. And dang girl you were fast!! Christmas card....check!" -Katie A.

"I feel like I just had coffee with an old friend" -Alyssa A.

"Amy, I have to say.... The real problem with your photography is..... Its soooo distracting!! I loaded a bunch of the Finn one year photos on my computer at work and they cycle through as my screen saver. I find myself just losing time absorbed in the images. They are so amazing. Hard to believe he was being grouchy that afternoon. You did such a good job. They make me smile every time I see them."  
-Tim G.

"You were so FUN! You took the time to be personable and professional while making sure you delivered the final result we hoped for. You made us laugh and feel at ease when we usually are not comfortable in front of the camera. You were so sweet and caring towards our daughter. The results are STUNNING! You captured my daughter's innocence and silliness in a way I could never express in words." -Bethany B.

"You were so easy to work with, it was like going on a walk with a friend! The session was natural and organic in the way it flowed. It was a lovely hour outside, with a fun person, capturing my family with gorgeous photos!" -Carmen W.

"It's not awkward having your photo taken by Amy and somehow she manages to take the most amazing photos of my kids when I see them as uncooperative or not at their best. She's quick and doesn't miss a beat". -unknown
